Corporate Sponsorship Opportunities

Connect with Cultural Facility Leaders Worldwide

IAMFA Corporate Sponsorship Recognition Benefits

Maximize Your Investment Through Multi-Channel Recognition

IAMFA sponsorship provides comprehensive recognition across our professional network, connecting your organization with facility decision-makers at premier cultural institutions worldwide.

Publication Recognition in *Papyrus*, Print & Digital Editions

Your sponsorship receives prominent recognition in our flagship magazine, reaching over 300 facility professionals three times annually. Corporate sponsors have the opportunity to contribute articles.

Annual Conference Opportunities

Our prestigious conferences provide unmatched access to facility professionals. Sponsors have the opportunity to participate in meaningful multi-day engagement, receive recognition throughout the event, and participate in conference materials distribution and networking opportunities.

LinkedIn Professional Network

Connect directly with our professional community through IAMFA's LinkedIn group. Corporate sponsors receive communications access to group members, with higher-level sponsors gaining Manager permissions for annual direct member contact and group announcements.

Digital Platform Visibility at IAMFA.org

Achieve year-round visibility through corporate sponsor listings on our primary digital platform. Your recognition also extends to our IAMFA Online program, allowing you to receive recognition multiple times a year to our members worldwide.

Recognition via IAMFA Awards Program

Corporate sponsors are eligible for prestigious IAMFA awards, including the Diplomat Award, recognizing corporations advancing IAMFA's mission and for outstanding contributions to cultural facility management.

Regional and Virtual Programs

Higher-level sponsors access our regional chapters, plus opportunities to present in IAMFA Online programs, extending your reach to facility professionals globally through in-person and virtual educational sessions.

Access to Industry Benchmarking Data

Corporate sponsors gain access to general benchmarking information from participating museums, providing valuable market intelligence for strategic planning and product/service development.
